

Cyber Small Business Solution

North American Data Security
Risk Purchasing Group

Program solution addressing the
risk associated with data breaches

Introducing a simple process for obtaining Cyber Insurance for your clients and in turn reducing your agency exposure to E&O risk.

A breach of personally identifiable information can cause serious financial harm and a company can go bankrupt in dealing with cost associated with proper notification to affected individuals, forensic audits and fines as well as the cost of legal defense.

The Cyber Small Business Solution provides insurance protection for your commercial customers in the event of a breach of personal identifiable information, such as social security numbers, banking information, driver's licenses, medical information, payment card information, customer information, and employee information.
